

Workforce Multipliers Development Program

Supervisor–Employee Relationship Training

The PZI® trademarked High 5!® Program will enhance company-wide communication and performance.

Celebrate your team's success and encourage them to even greater performance with a High 5!®

Improve personal, interpersonal, and team **effectiveness** while increasing employee **engagement** and **self-awareness**. Our energetic and vibrant High 5!® Workshops emphasize individual strengths and their importance to your company's culture while providing a framework for **increased communication** and **performance**.

Level 1: Foundation of Communication in the Workplace

A three-day course on core interpersonal skills to boost self-awareness, master Crucial Conversations, and set personal goals for workplace success.

Level 2: Leading Organizational Change

Four-hour sessions for busy executives to explore self-awareness, the High 5!® Model, and their Insights Discovery Profile.

Level 3: Perceptions of Leadership

A two-day session for supervisors to enhance leadership, communication, coaching, and employee engagement skills.

Level 4: Team Effectiveness

A two-day session for teams to strengthen working relationships, understand team dynamics, and improve performance.

Level 5: Specialized Classes

Address workforce needs with the High 5!® Program, covering topics like Imposter Syndrome, workplace civility, stress management, conflict resolution, communication, and diversity & inclusion.
